Kill

Kill those habits that are
keeping you comfortable,

Because they might be the
ones killing your dreams,

Kill those relationships
that pours toxic in your
circle,

Because they might be the
ones poisoning your team,

Kill the person you
thought you always were,

Because that person may
be the one holding you
back from who you're
destined to be

San Nicolas Contractors Gets First Preference In Upcoming San Nicolas Projects!

SNBA got together with some contractors from San Nicolas, getting them together, and guaranteeing them first preference in all the upcoming projects that start real soon. The more San Nicolas companies that get jobs, the better it will be for our community. Keep up the good work guys!

Casa Cuna(Foster Home) With New Project.

Casa Cuna has launched a brand new project where instead of leaving your child at Casa Cuna, because you can't handle them anymore, you get a chance to live temporarily with your child and get guidance on how to be a better mother. This project consists of 4 rooms, and will start on October 14th 2019. This is a positive step forward congratulations to the organizers.

Island Fest Turning Away San Nicolas Vendors

We have noticed that there was not much San Nicolas vendors at Island Fest, when contacted some of the regular San Nicolas Vendors they let us to know that the organizers told them " They were full and had no more room for more vendors" First they took away San Nicolas talents not giving them a chance to shine in their home town, now the vendors are getting chased away. We don't want to sound negative, but please treat our people with more respect.
